

MUHAMMAD HAKIM BIN BORHANUDDIN

86100 AYER HITAM | 0197739849

sirmhakim@gmail.com

Passionate & enthusiastic college student in programming. Seek a role as a web developer. In my previous internship, I learned the Spring framework to develop a java application. In this internship, I would love to expand my knowledge more in web development and this position is very fit my ambition.
